CORRECTION OF NON-COMPLIANT APPEAL BRIEF

Filed electronically on 10 December 2008

In a Notification of Non-Compliant Appeal Brief mailed on 8 December 2008, the Patent Appeals Center Specialist has correctly noted a typographical error in the appeal brief submitted on 17 November and has required correction of the error. Attached is a replacement page 10, in which the first "Grounds of Rejection to Be Reviewed upon Appeal" is corrected to cover "claims 2-29 and 35-38" instead of "claims 2-29 and 35-39" as previously indicated. A review of the remaining pages of the brief reveals that page 10 is the only page requiring correction.

The applicant thanks the Patent Appeals Center Specialist for a brief telephone interview on 10 December regarding the preferred manner to make this correction.

No fees are believed to be due, but if there is a fee deficiency, please charge Deposit Account 19-4076.
